English

Urdu

PROFILE

I'm a professional full stack web developer highly skilled in MongoDB, ExpressJS, NodeJS, ReactJS with more than 2 years of professional experience.

I've created multiply projects in MERN stack and have expertise in the different section of web development.

EDUCATION

BS computer science, COMSATS University Islamabad, Lahore

Sep 2019 - Present

My BS Computer Science degree is going on at COMSATS University Islamabad.

Intermediate of Computer Science (ICS) , Punjab group of colleges, Lahore

Sep 2017 - Apr 2019

I have completed my 2 year computer science Intermediate level study with A+ grade.

COMPLETED PROJECTS

COVID tracker

Jul 2021 - Aug 2021

I created a COVID tracker app in MERN stack. It will show COVID statistics and other info based on country name.

App is live here : <http://covid-stat-app.herokuapp.com>

Weather app

Sep 2021 - Oct 2021

I've created weather app in MERN stack. It will show current weather, temperature, forecast and much more.

App is live here : <http://weather-stat-app.herokuapp.com>
